DETAILS

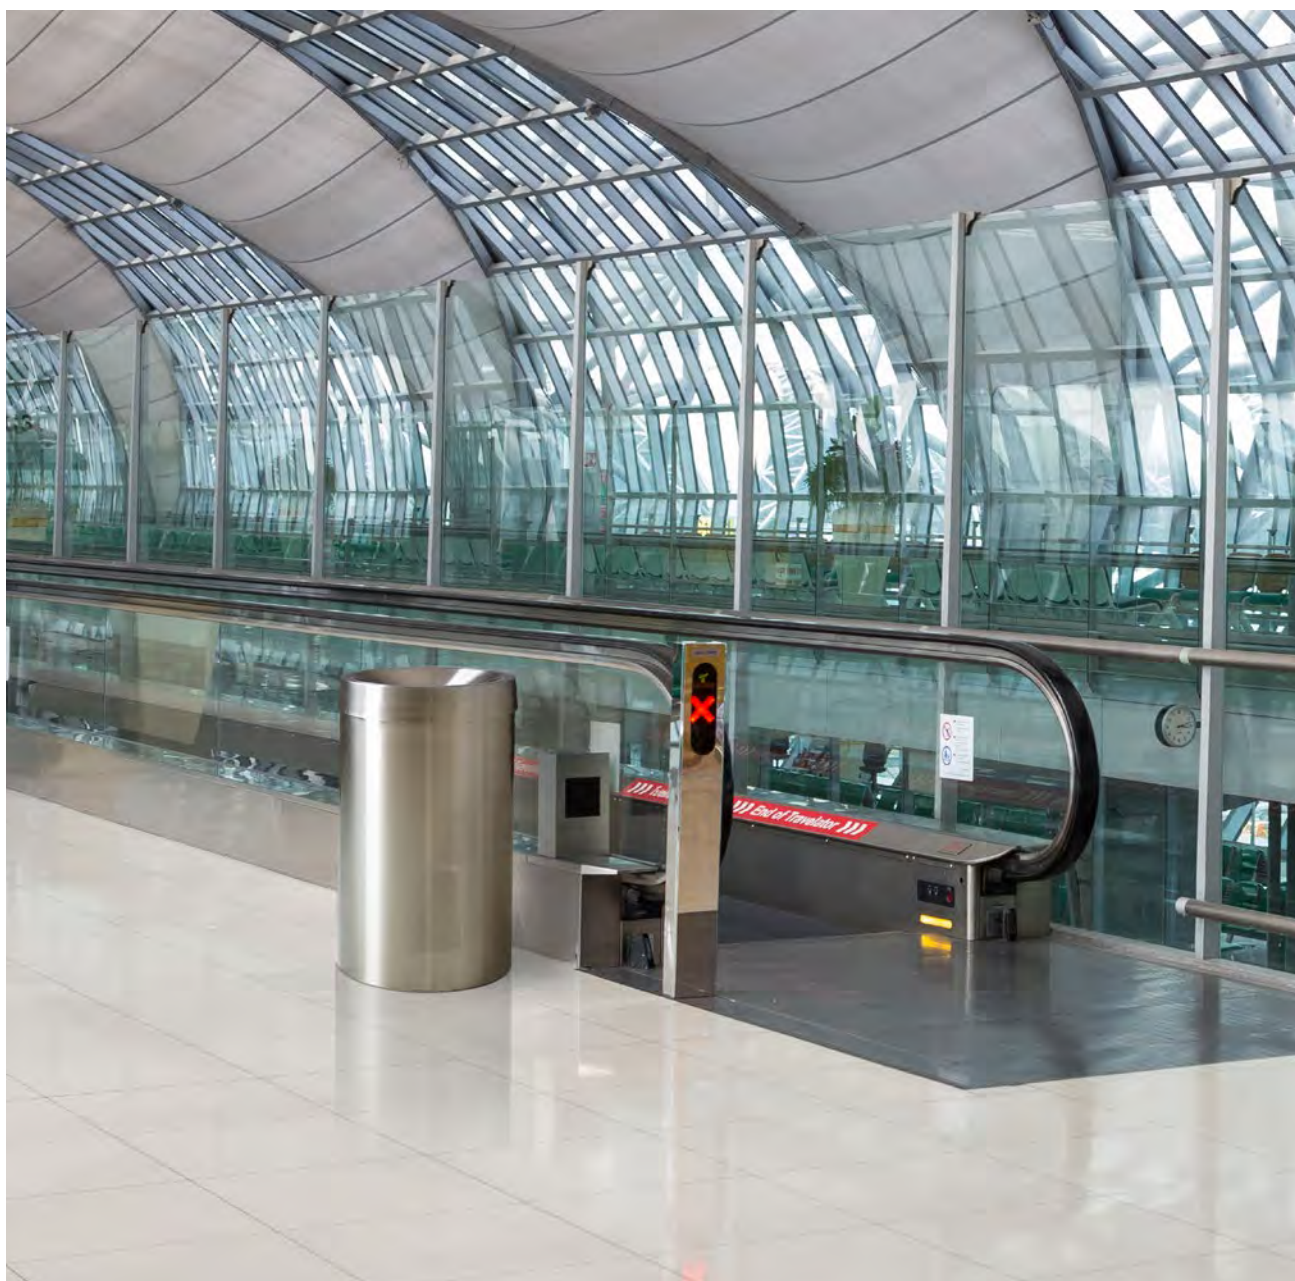

Self-extinguishing

Removable lid

- Circular self-extinguishing bin.
- Self-extinguishing certified.
- Available in 3 capacities: 30, 50 and 90 litres.
- An optional recycling version is available. Waste identification on the lid (color and symbol).
- Accessories: wall mounting kit with key lock which allows the removal of the bin (removable bin system). Available for versions of 30 and 50 litres.
- Collection system: plastic bag attached to the body and hidden by the top of the lid.
- Rubber feet as standard.
- Accessories: frontal waste adhesives.
- Made of AISI 304 brushed stainless steel.
- Plastic bags: this bin is compatible with standard bags available in the market. However, Cervic Environment have developed "Slim-fit" bags (tailor-made for our bins) which improve the performance and the aesthetic of the bins.
- Guaranteed reliability: this product has satisfactorily exceeded functionality and endurance tests under real environmental and usage conditions.
