

Marseille litter bin

Litter bins - street furniture

Robust litter bin which allows to view the contents deposits inside.

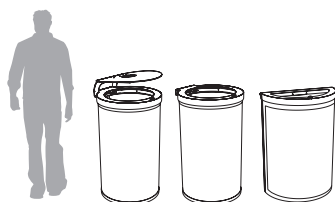

- Available in Two Versions: 120L Circular and 90L Semicircular (wall version)
- Made from 1,5 mm Deploye Galvanized Steel and 1, 1'5, 2 and 3 mm cold rolled hot dip galvanized steel plates
- Thermo-heating polyester powder coated finish
- Joint elements made from high-strength stainless steel
- EES (Ergonomic Emptying System): Safe & Efficient Emptying
- Available in two collect systems, with inner ring-sack holder or metal inner liner. Inner rings are integrated & articulated in the body of the bin. Inner ring bag holder and metal inner liner incorporate a rubber band to hold the bag avoiding the bag falling down when it is full
- SLIM-FIT: Plastic Bags that Saves Money, Much More Efficient

*Bins Also Compatible with Standard Plastic Bags

- Hinged Lid with Security Lock
- Available with Rain Hood (120L version)
- Available with Ashtray Integrated in Rain Hood (120L version)
- Version 90L includes a block security system in the lid for wall placing
- Version 90L suitable to be fastened to the wall
- Compatible products: Kaizen ashtray 1 L, Valencia ashtray 2 L & Can-Adapt bags dispenser
- Free standing with possibility to be fixed to the ground from inside with 3 or 4 M8 expanding bolts depending version (included)
- This product can be used outdoor under regular environmental conditions

For Salty areas (high salinity/humidity) are available extra finishes which improves significantly the corrosion resistance of bin in extreme environments conditions. These extra options involve extra cost and MOQ is required
