Backrest chair

Armrest chair

- Table and Chair (with or without backrest).
- It is part of the Florence Collection, consisting of a Bench, Double bench, Chair, Table and Planter.
- The table and chairs are not attached; they are installed independently, and it can be added from one to four chairs to the table (one on each side).
- The table can be installed individually or accompanied by Florencia benches and chairs.
- Available with 3 types of boards:
  - 1) Recycled plastic (mixed version made of metal and recycled plastic-RecyPlast).\*\*\*
  - 2) WPC-Composite wood (mixed version made of metal and ecological composite wood).\*\*\*
  - 3) Wood (mixed version made of metal and tropical wood).

\*\*\* Ecological versions. Do not require maintenance. Especially recommended for promenades, coastal areas or places with high exposure to saline corrosion.
- The Florence chair does not originally include backrests or armrests. Both can optionally be added as additional accessories.
- Accessories (optional): chair backrest and armrests.
- Must be anchored to the ground using M8 expansion bolts (included).
- Optional version available for built-in installation (consult minimum order requirement).
- Delivered assembled, semi-assembled or disassembled.
- Structure made of pickled and galvanized steel with a thickness 3mm and 5mm finished with a zinc-rich anti-corrosive primer and thermosetting polyester powder coating finish.
- Boards made of:
  - a) Recycled plastic from post-consumer plastic waste (RecyPlast).
  - b) WPC-Ecological composite wood from recycled vegetable waste and polymers.
  - c) Tropical wood protected by water-based "lasure".
- Guaranteed reliability: this product has satisfactorily exceeded functionality and endurance tests under real environmental and usage conditions.
