Armrest bench/chair

- Bench and Chair, both available without or with backrest.
- It is part of the Florence Collection, consisting of a Bench, Double bench, Chair, Table and Planter.
- Benches and chairs can be installed individually or in groups, placed side by side in a row, to create a longitudinal seating area as long as needed.
- Chairs can be installed individually or combined with the table, forming a table-with-seating set.
- Available with 3 types of boards for the seat and backrest area:
 - 1) Recycled plastic (mixed version made of metal and recycled plastic-RecyPlast).***
 - 2) WPC-Composite wood (mixed version made of metal and ecological composite wood).***
 - 3) Wood (mixed version made of metal and tropical wood).

*** Ecological versions. Do not require maintenance. Especially recommended for promenades, coastal areas or places with high exposure to saline corrosion.
- The Florence bench and chair do not originally include backrests or armrests. Both can optionally be added as additional accessories.
- Accessories (optional): backrest for bench, backrest for chair, and armrests for bench and chair.
- Can be anchored to the ground using M8 expansion bolts (included).
- Optional version available for built-in installation (consult minimum order requirement).
- Delivered assembled, semi-assembled or disassembled.
- Structure made of pickled and galvanized steel with a thickness 3mm and 5mm finished with a zinc-rich anti-corrosive primer and thermosetting polyester powder coating finish.
- Boards made of:
 - a) Recycled plastic from post-consumer plastic waste (RecyPlast).
 - b) WPC-Ecological composite wood from recycled vegetable waste and polymers.
 - c) Tropical wood protected by water-based "lassure".
- Guaranteed reliability: this product has satisfactorily exceeded functionality and endurance tests under real environmental and usage conditions.
